Those of you who have been present at the last IBA conference in Ashford certainly remember the first blackcurrant product contest. During this event, several companies presented a huge number of well-known blackcurrant products, like jams or juices.

But we have also seen (and you probably tasted) some very interesting innovative products with blackcurrants - like blackcurrant gummy bears. If you haven't been

there, or if you want to recall good memories, check out what had happened! You will also find the brand names of all those who participated in the contest.

Blackcurrant contest 2018

The blackcurrant contest 2018 is already on the way. The French organizing team for the conference in Angers has put the same kind of contest on its agenda. We are all looking forward to even more products, even more participants, and even more innovation! We do not have any details yet - there is more than a year left to go before the event. Still, the outlining will be similar.

3. Functional food (nutraceutical products which offer proven health benefits, made from all elements of the blackcurrant fruit, backed by hard science)

Keep your eyes and ears open! We will call for participants in the contest and start preparing nice rewards for the winners very soon.
